

WARNING Take care when bending and leaning forward or sideways.

WARNING Ensure your child's chin is not resting on its chest as its breathing may be restricted which could lead to suffocation.

WARNING Constantly monitor your child and ensure the mouth and nose are unobstructed.

WARNING For pre-term, low birth weight babies and children with medical conditions, seek advice from a health professional before using this product.

WARNING Ensure proper placement of child in product including leg placement.

Check for ripped seams, torn fabric, and other damage before each use.

Caution!
Keep this supplement for reference!

Important:

Never unfasten the buckle while your baby is still in the carrier.

Never place more than one baby in this carrier.

This carrier is not suitable for use during sporting activities, e.g. running, biking, and skiing.

Your balance may be adversely affected by your movement and that of your child.

Never use a soft carrier while engaging in activities such as cooking and cleaning which involve a heat source or exposure to chemicals.

The carrier is designed for carrying your child exclusively in a position facing the wearer.

Keep the sling away from children when it is not in use.

Only use this carrier for children between 3,5 kg and 16 kg.
